9 Complete The data at the right shows the amount of rain, in inches, that fell in each of four weeks at a school. Use the empty table below to organize the data. Include a title for the table, the column headings, and all of the data.

Week 1: 0.62 in.
Week 2: 0.40 in.
Week 3: 1.12 in.
Week 4: 0.23 in.
